MaxCS Hardware Trade-in Program

To assist our customers in transitioning from their Windows XP or Windows Server 2003 platforms to current AltiGen solutions, we've introduced a new MaxCS Hardware Trade-In Programs offering substantial trade-in value for AltiGen Max1000, Max2000 and Office 3G telephony servers, to be applied toward either AltiGen's MaxCS Private Cloud or MaxCS All Software On-Premise solutions.
To get started, download the attached form, complete it, and email it to salesops@altigen.com.
