MaxCS 8.5 Softswitch Deployment Guide

This document is provided for AltiGen partners who will be performing a fresh installation of MAX Communication Server (MAXCS) ACM Release 8.5 All-Software Softswitch Solution for their clients. A separate guide is provided for deploying AltiGen's Unified Communications service with MAXCS; refer to the MaxCS 8.5 UC Deployment Guide.

If you are upgrading from a previous release of MAXCS, follow the instructions in the MAXCS Upgrade Guidelines.
